Private Lesson Waiver:

Assumption of Risk/Waiver of Liability

By the very nature of the activity, gymnastics carries a risk of physical injury. No matter how careful the gymnast and coach is, no matter how many spotters are used, no matter what height is used or what landing surface exists, the risk can NOT be eliminated. Risk can be reduced but never eliminated.

The risk of injury includes minor injury such as bruises and more serious injuries such as broken bones, dislocations, and muscle pulls. The risk also includes catastrophic injuries such as permanent paralysis or even death from landings or falls on the back, neck, or head.

I have read and have been forwarded and understand the Assumption of Risk, and Waiver of Liability and I Voluntarily accept the risk and affix my name in agreement.
